WHAT WE LEARNED

ELA (Reading & Writing)

The students worked on organizing details in various writing pieces. Also, the students are learning to read and use proofreading marks. We read chapter 10 & 11 of *Titanic: Voices from the Disaster*.

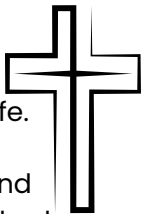

Math

The students are reviewed volume of a rectangular prism and cube by using length X width X height, as well as area of a base X height. We will begin line plots next week.

Religion

This week our lesson focused on how Jesus helped a friend better prioritize things in their life. Luke 10:38-42 emphasizes the importance of being present and focusing on what is truly important.

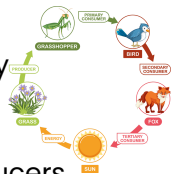

Social Studies

The students learned about sailing during the age of exploration. Next week, the students will complete a simulation that explores the risk of exploration.

Science

The students learned how we get and use energy. Also, they learned that all sources of energy in any food chain starts with sunlight and producers.

UPCOMING EVENTS

- **February 17th:** No School
- **February 19th:** 100th Day of School Celebration
- **February 22nd:** Hollywood Red Carpet Gala @ 5:30
- **February 24th-28th:** Dr. Seuss Spirit Week

MEMORY

Rejoice in the Lord always; again I will say, rejoice. Let your reasonableness be known to everyone. The Lord is at hand; do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.

(Philippians 4:4-7 ESV)
