## Religion

During our religion time, we have been learning about the New Testament and how Jesus stills the storm. It was a dark and stormy night in 1860. Two ships crashed into each other. One ship, called the Lady Elgin, had hundreds of people on board. When the ship began to sink, the people jumped into the water. They clung to whatever floated near them to try to stay alive.

A crowd of people on the shore took action to save the drowning passengers. Among them was a young man, his name was Edward Spencer, he was an expert swimmer. Edward repeatedly charged into the waters, despite being hit over and over by the floating wreckage. Edward was able to save seventeen people's lives that day. That is amazing.

What Jesus did for us is even more amazing. Jesus died for all people. When bad things happen in our lives, God doesn't make them happen. Bad things happen because of sin. Instead of causing trouble, God shows His love for us. He sent Jesus who through His death on the cross overcame sin, death, and the devil. Our God is a God who lives. Our God is a God who loves. Our God is a God who cares for us when bad times come.
