# Welcome Back to School!!

## A Note from the Teacher

Happy Thursday! It's been a partial first week in our classroom, and the students have had so much fun. We even ended the week with a day off 😊 I wanted to take this opportunity to remind you if you have not returned all your medical forms, emergency contact information, receipt of handbook, etc. Please complete these and return them soon, so that your child's file is up to date.

If your child has books from home which they would like to bring and read during their reading time, I encourage you to send them with your student. Remember students are always encouraged to work on their homework in class once they have completed their in-class work.

Do not forget to sign the work habits form, fill out the church attendance, and please sign the turquoise graded paper folder all these items are to be returned to class on Monday mornings.

Our first PALS meeting of the year will be on Wednesday, September 4<sup>th</sup> in the Welcome Center @ 8:00 A.M.

As always, if you have any questions or concerns, please give me a call or send me an e-mail. Thank you for your support!

In Christ, Mary Gasser

Have a great weekend and spend some quality time together. 😊

## Religion

During our religion time, we have been learning about God and who He is and how we can learn more about Him. Step outside and look at God's majesty. See the power of the wind blowing through the trees, feel the sun's warmth. Nature visualizes God's almighty power, and our need to know our heavenly Father. Because God loves us, He could not abandon us to sin and death. Also, in our religion classes this week we have been learning about Adam and Eve, the first sin, and Noah.

Here is some background information which I shared with the students to get them thinking about Noah. One new day, Noah stepped onto the ark. It was a pivotal time in his life. He, his wife, and his children spent over a year with a load of animals, buoyed up while water surrounded them. Then, on another new day, Noah opened the door. He stepped out. Wow! On that day, human life on earth had a new beginning. One of the first things Noah did was build an altar and offer a sacrifice of thanksgiving and praise. God had saved them from death. You are God's child, and you have been saved from eternal death. You can say that each day is new too!

## Memory Verse of the Week for 9-02-24-9-06-24 Due Friday

### Memory Work: Mark 12:30-31

You shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. You shall love your neighbor as yourself. There is no other commandment greater than these.
