- There will be no school for students March 6-16 for students. School will resume after spring break on Monday, March 17th.
- We will be hosting Parent/Teacher conferences in March. These conferences will be student led in our classroom. They will be hosted March 20th and 27th. This type of conference will allow for your student to show you some of the things they have learned in third grade, as well as to share their strengths and goals as they move forward in their educational journey. They will be 20 minutes sessions and your student should come with you. :)
- In preparation for the end of the year celebration, 3rd grade memorizes the Ten Commandments and their meanings. We only have ten weeks left, so we will be memorizing some big things for the remainder of our time together.
