

February News

The King's Academy Kindergarten

Week 21

Feb 7, 2025

Don't forget to send in your child's 100 items before next Friday as well as their Valentines. We will use the 100 items in our math lesson and handout our Valentines to each other during class. Dr. Stuhlman thought it would be fun to dress up as 100-year-olds on our 100th day party instead of pj's. She is asking the whole school to dress-up on that day to celebrate. We can change our clothes when we go to the movies.

Attached are your child's results from our last round of NWEA testing.
Please contact me if you have any questions!

Please note we are adding the digital date to our spelling tests.
