## What We Learned

### ELA/Reading

We are continuing our nonfiction unit. Students are working on writing summaries with an opening sentence, a closing sentence, and valid details. Prefix quiz 12/19

### Math

Students learned how to add and subtract decimals. We are now learning how to multiply and divide decimals.

### Religion

Memory: In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through him, and without him was not anything made that was made. In him was life, and the life was the light of men.

John 1:1-4

## Reminders

The Christmas play is Wednesday at 9 and Thursday at 6 pm. We encourage grandparents and family to attend the Wednesday program at 9 am. Thursday is the final performance of the play at 6 pm. It is normally a crowded performance. Students need to be in their classroom at 5:30. Students are to dress in nice clothing.

White elephants gifts can be brought in anytime. Please have them in classroom wrapped by Dec. 20

## Notes

I will be gone next week, and Mrs. Jerman will teach in the classroom. I will update grades over Christmas break; the week students return, they can finish any missing work. Grade cards will go out the week of Jan. 13. Please reach out, if you have any questions or concerns.

Update from Dr. Stuhlman and Mrs. Jerman

## What We Learned

### Social Studies

We completed our review of the regions and are preparing for the unit test. The test is on Tuesday, December 17th.

### Science

Our mini-unit on matter has led to a better understanding of particles in a solid, liquid, and gas. Also, our observations skills are developing as we learn about qualitative and quantitative observations. We used the scientific method to investigate whether or not the water temperature affects the rate of color loss in a skittle.
