We will have a memory test every Thursday.

Reminders

Thank you for your patience while I was gone this week.

I am sending graded papers home as soon as they are graded so check with your student.

I am staying after school on Monday, November 18, until 4:15 pm to work on any work with students. If you want your child to stay please let me know.

I plan to do vocab test every other Friday. That way students have time to truly learn the vocabulary.

If your child gets a bad grade on a classwork assignment do not worry, I try to cover a topic multiple days so they grasp the concept.

The only homework your child will have is work not finished during class time, studying for test, and memory.

Memory this week is in preparation for the Christmas Program.
